

Where nurses mean the world 2020 Year of the Nurse

BON SECOURS MERCY HEALTH

Looking for ideas?

Following are several ways you might choose to distribute the Bon Secours Mercy Health **Where Nurses Mean the World: 2020 Year of the Nurse** commemorative booklet.

- Share them with your teams during a department meeting or huddle.
- Hold “drop by” events during various shifts. You can use the sample flyer to post when you’ll be in your office or another central location so that nurses can drop by and collect their booklet.
- Visit your nurses one by one to thank them and present the booklet.
- Incorporate sharing the booklet into a holiday gathering, if you’re having one.
- For remote teams, let the nurses know a gift is on the way and ask them not to open it right away – have everyone open the envelopes together during a Zoom party.
